Intermediate Daily Routine arranged by Rachel Trumbore

EAT YOUR VEGGIES, AKA LONG TONES. Playing long tones is the best way to build a better tone. Use these first notes of the day to focus on creating your best sound on every note. Begin each line with an air attack, no tongue yet and gliss whenever you aren't taking a breath. Stop after each line. Play with a pal or a drone to work on pitch. -----~~o~~ mo 9 ~ 20 mm •bo• AIR SLURS (LIP SLURS). I refer to these exercises as air slurs, because the air does the work, not the lips. The connection is made with a smooth shift in air speed. Your job is to glue the end of the previous note to the beginning of the next note with your smoothest sound!
